

## *(2021) Travel Baseball Information Sheet*

Three Rivers Baseball is pleased to announce the introduction of a dedicated travel baseball program to the young player and parent that is interested in the following:

- Learn the game of baseball by teaching the proper fundamentals both offensively and defensively that will create a foundation for the players future success
- Continuous evaluation and assessment of the players skills, abilities and attitude. This data will be shared with both with the player and parents
- Preparation and feedback that prepare the player for the “NEXT” level. Whatever that level is, high school, college, pro ball.

### **Age Groups:**

12U, 13U, 14U

### **Tournaments:**

- Three Rivers Baseball travel teams will play in tournaments throughout the tri-state area. Tournaments selected will be based on talent level of team. Most tournaments will be local and close enough to commute. Each team will have one destination tournament per season which will require a hotel stay.
- Each team will participate in six (6) tournaments per summer.
- All teams will have the ability to play in additional tournaments at their home facility, Three Rivers Baseball

### **Coaching:**

- Team coaches will be chosen based on a criteria that considers current & past coaching experience, playing experience as well as a proven teaching methodology that will relate to the young player. Behavior based interviewing and selection will be a key part in coach selections.
